---

<sup>2</sup> Applicants can apply for all scholarship types in the “scholarship pool” system. The scholarships offered in the bilateral agreements announced by the foreign partners are also categorized according to these scholarship types. In some cases the co-operation programme/bilateral agreement does not contain all the scholarships listed under the pool programme, hence they may not figure among the scholarships announced by the partner office. For citizens of countries that have a bilateral agreement and a partner scholarship office it is recommended to submit their applications directly to HSB, in the pool system, in case the bilateral agreement does not allow for a specific type of scholarship listed in the pool programme.

<sup>3</sup> Applicants are exempt who gained admission to a tuition-free program at an institution of higher education (state-financed university, full-time program), where the working language is different from Hungarian.

Type A (semester /partial studies) and type C1/C2 (full PhD and partial PhD studies) scholarships may not be extended. Type B (postgraduate studies), D (postdoctoral studies, research), and E (research stay) scholarships may be extended exceptionally, only under special circumstances, on one occasion. The scholarships are valid only for studies and research purposes in Hungary. HSB scholarships can only be used for conducting studies or research in Hungary, which means that scholarship-holders must stay in Hungary during the whole period of their studies or research.

The scholarships are awarded for the summer of 2011, or the academic year of 2011-2012, and these latter ones must be finished by 30 June 2012 at the latest.

The list of partner scholarship offices, the list of summer university courses as well as other information can be found on the HSB website ([www.scholarship.hu](http://www.scholarship.hu)). Scholarships are awarded by the Minister of National Resources of the Republic of Hungary based on the decision of the Hungarian Scholarship Board. The list of the successful applicants will be published on the HSB website at the end of June 2011.
