

ESL FOR AVIATION

Experience Canada while studying at Confederation College.

Looking for an exciting opportunity to improve your English language ability in the field of Aviation? This four-week summer program may be perfect for you.

This program is ideal for students with an interest in Aviation who plan to study in the field at their home institution or in Canada.

Dates: June 27 – July 22, 2011

Student Enrollment: Maximum 15 students

PROGRAM CONTENT

ESL	60 hours
Theory & Practical Application	80 hours

The Aviation Centre of Excellence (ACE) at Confederation College is Canada's newest and most advanced aviation education training facility. The modern facility exposes students to state-of-the-art technology and enhanced learning.

By participating in this summer program, you will learn about:

- language skills specific to the aviation industry;
- pronunciation techniques;
- the theory of flight and flight controls;
- Canadian aviation regulations;
- aircraft engines and electronics;
- aircraft electrical systems; and
- aircraft instrumentation and avionics;.

In the aircraft maintenance repair shops, you will get hands-on experience in running engines, building a 'buzz' box (Magneto Synchronizer), riveting, and introduction to structural repairs.

As a bonus, you will also have an opportunity to use the Flight Simulator.

This program presents you with an exciting opportunity to enhance your English proficiency and expand your knowledge of the aviation industry.

ESL for Aviation 2011
